

Funding for contractors, commercial property owners & businesses

Financing a Green Recovery for the District.

General Topics:

- Learn how you can upgrade, install new appliances or renovate your small business with rebates and clean energy financing;
- Contractors can access rebates and financing to help their customers to close clean energy projects;
- Schedule a free one-to-one consultation with one of our partners today.

MAY 25TH, 2021

TIME: 12:00PM – 1:00PM ET

Registration Process

Step 1: [Register for webinar](#)

<https://www.eventbrite.com/e/funding-opportunities-for-contractors-and-small-businesses-tickets-152976782675>

Step 2: [Schedule your free consultation](#)

Learn about tools that can help your business access financing, rebates, technical assistance or simplify bookkeeping to get your loan application ready.
